

A Ministry of Colonial Presbyterian Church

Infant & Toddler Ministry:

Fall 2011/Spring 2012

Busy Bees (Infants- 15 months)

We love babies! Colonial's infant ministry focuses on sharing the love of God with the littlest kids. This ministry emphasizes Christ-centered safety, love, acceptance, and joy. Babies learn that God loves them!

Lively Ladybugs (1 – 3 year olds)

One through three year olds begin hearing Bible stories, participating in Bible review activities, snack time, simple crafts, and giving to others. These kids love learning about God through play, exploration, and stories! We still focus on the children's needs for safety and love, but also do fun Bible activities that match the child's growing cognitive and developmental abilities.
